Maritime Services Division
Ansa Building
Corner of Queen and Henry Streets
Port of Spain Trinidad and Tobago

Dear Ms. Phillip:

This letter is to inform you that Isthmus Training Institute a member of the IBS group of Panama has appointed North West Maritime Limited of Trinidad and Tobago as a Regional Training Center. This agreement stipulates that North West Maritime Limited is authorized to conduct STCW95 approved courses on our behalf.

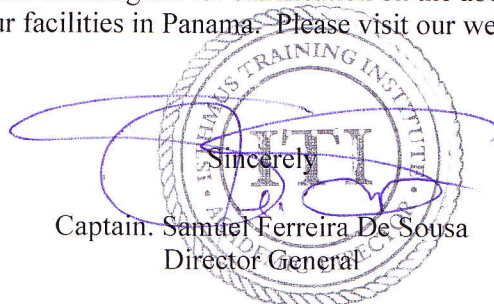

ITI has been recognized for Programs and Courses in Maritime training in accordance with the requirements for recognition provided by the Maritime Authority of Panama and the regulations of the International Convention on Standard of Training, Certification and Watch keeping for Seafarers, 1978, as amended. We have attached a copy of Certificate No. 019-2009 for your attention.

Isthmus Training Institute in July 2006 under resolution ADM. 246-2006 was duly authorized as an International Training Center on behalf of the Panama Maritime Administration.

We have also received provisional recognition from International Merchant Marine Registry of Belize in January 2010 to offer STCW95 courses. See a copy of the attached letter.

We are also seeking recognition by your administration for training certificates issued by us on behalf of both the Panamanian Maritime Authority and the International Merchant Marine Registry of Belize Seafarers Department.

Please feel free to contact the undersigned for clarification on the above. We also extend an invitation to you to visit our facilities in Panama. Please visit our website www.iti.com.pa

Sincerely
Captain. Samuel Ferreira De Sousa
Director General
